## **Safer Equipment Making Work Easy!**

**The Worlds First Rotating Head Mobile Crimper!**

### **Rotational Crimper**

- 90 degree fittings fit easy
- Full view of your fingers
- Small enough for mobile
- Versatile enough for shops
- Crimps up to 1-1/4" 5000 PSI hose and fittings
- Quick die change gun
- Economical (Made in France)

### **Hidden Saw Blade Hose Cutter**

- Blade stays hidden in table
- Foot pedal activated handle pulls hose down into blade
- Cuts up to 5000 PSI 1-1/4" hose
- Finger guard keeps fingers away
- Safer choice when training multiple employees
- Drop/trap door to empty debris
- Economical (Made in France)
